The FORE!

## Welcome to RLGGA 2006!

### CAPTAIN'S REPORT:

Our new board has a great year planned for you. There are fresh faces, some terrific seasoned members, and some returning members from last year. As your new **Captain**, I am honored to return to this board. After a long absence, I am pleased to see how things have change and still seem to stay the same.

Returning from last year as Past Captain and principle organizer for the 2006 *Rally for the Cure* is [Mary Powers](#). Her fabulous leadership will help keep the new board on their toes.

Co-Captain this season will be [Phyllis Ellermeier](#). When it appeared that we might not be able to fill board positions, Phyllis made certain to cajole, convince, encourage and twist some arms to make sure we have the capable group that we have on the board today.

### 2006 RLGGA Board Goals

1. Grow our membership
2. Increase participation in weekend tee times to at least 5 foursomes and Wednesday tee times to at least 4 foursomes.
3. Increase participation in tournament play.
4. Provide playing opportunities for new members, to make new friends, to understand how to be involved in golf at Riverbend, and to feel welcomed.

In order for us to achieve these goals, we need your help. We know we can depend on you. I look forward to the 2006 season. Good Golfing!

Can you name the golf course whose exceptional policy includes giving the right-of way to the local moose? send to: [phyllise@earthlink.net](mailto:phyllise@earthlink.net)

Treasurer, [Teresa Le](#) and Secretary [Peggy Haugen](#) bring both a passion for golf, tremendous applicable work experiences and represent a player and planning perspective from and on the behalf of the RLGGA Wednesday Golfers.

Our new Trustee, [Fran Zickes](#) brings tremendous knowledge and experience to this position. She will keep our membership well connected and informed about GSWPGA and WSGA events.

One of the most complex positions to fill is the Tournament Chair. When asked, [Janet Best](#) replied that she would "serve in any role RLGGA needed her to fill." So right now Janet is working on some terrific tournaments and has enlisted friends to assist her.
