

The most improved golfer is based on the Northwest active golfing season. The criteria is the same as the Club Championship, you must golf in 4 GLGA events. The report is pulled from the GHIN data base after November 15th.

This year we honor **Sheryl Baisinger** as the most improved for RLGA this year. Sheryl lowered her handicap from 20.1 to 16.1 with a diff of 1.687.

Also honorable mention to:

Kathy King improving from 17.6 to 14.2

Charlene Cochran improving from 26.3 to 22.3

Congratulation Ladies

Marge Rider
Handicap Chair
