

PLAYER RECOGNITION

Greetings Ladies of Riverbend

We are just past the midpoint for the Player Recognition program for 2017. Though it began with considerable amounts of rain and gloomy weather, that is all but forgotten with our recent bouts of sunshine. Following is an update of the achievements realized so far by our members:

Birdies: Cathy Coleman is out in front with 8 Birdies. Cathy Kay and Linda Selegue are both tied for second with 6 each.

Chip-Ins: Cathy Coleman leads in this race with 4 chip-ins. Cheryl Lienesch is in 2nd place with 3. There are many players with at least 1 chip-in.

Most Rounds Played: Once again, Cathy Coleman is leading with 17 rounds to date. She is on course to surpass her record from last year. Angela Hobbs comes 2nd with 14 rounds, with Vicki Hutsko close behind with 12.

Congratulations to Cathy Coleman who also enjoyed getting a hole-in-one on March 31st on hole 8.

Thanks to everyone for participating. Stay tuned for more updates later on and keep those pink cards coming in!
