What a beautiful day. The weather started out a little cold but warmed up. Congratulations to all the winners. We had 11 ladies play in the blind draw. Kathy Provazek had an amazing 23 putts. WOW and had the lowest gross score of 78. Well done!

Well, this ends our tournaments for 2017. I has been really fun. I am pleased to announce that Stephanie Ticknor has volunteered to run the tournaments next year. I will be with her every step of the way until she feels comfortable. She is willing to learn 'USGA Tournament Management 'Golf Genius'. This will be exciting as there are various tools to make our tournaments go faster. Thanks Stephanie for stepping up!

Have a wonderful winter and I hope to see you on the course!
